

## **Registration and Wait List Policy**

We are committed to place all on time registrants on teams. We also maintain a Wait List for players who sign up after Open Registration has closed. Once on the Wait List, placement is difficult to predict. Therefore, we *strongly* encourage all interested players to register on time.

### **Wait List Rules**

- Any player registering after midnight on the last day of open registration will be placed on the Wait List. To be on the Wait List
- The Wait List is first come, first served.
- NHAYSO will determine when and where Wait List players are utilized, if at all. It is possible Wait List players must wait until after the start of the season for placement. It is also possible that Wait List players will not get placed. **ALL ON TIME PLAYERS WILL BE PLACED.**
- The Wait List will be closed at midnight after the second set of games are completed. Unplaced players will be notified in writing and refunded. However, we will maintain the order of players on the wait list until the end of the season.
